“To the Best”

The members of the Blue Jay staff are dedicating this year-book to the football team. They were chosen for all the hard work and time they put into their successful season. With a record of 8-0-1 they qualified for the state playoffs, but were defeated by King City in the quarter-finals. A fan sent us a poem that we feel expresses our feelings best.

A FAREWELL TO FOOTBALL

The lights on the field are dark.
The cheers of the crowd are still.
The jerseys turned in, not a game yet to play
No more schedule yet to fulfill.

How they loved the games
Their coach and their team.
How happy it made them to be
A small but important part of
The Rock Port Blue Jay team.

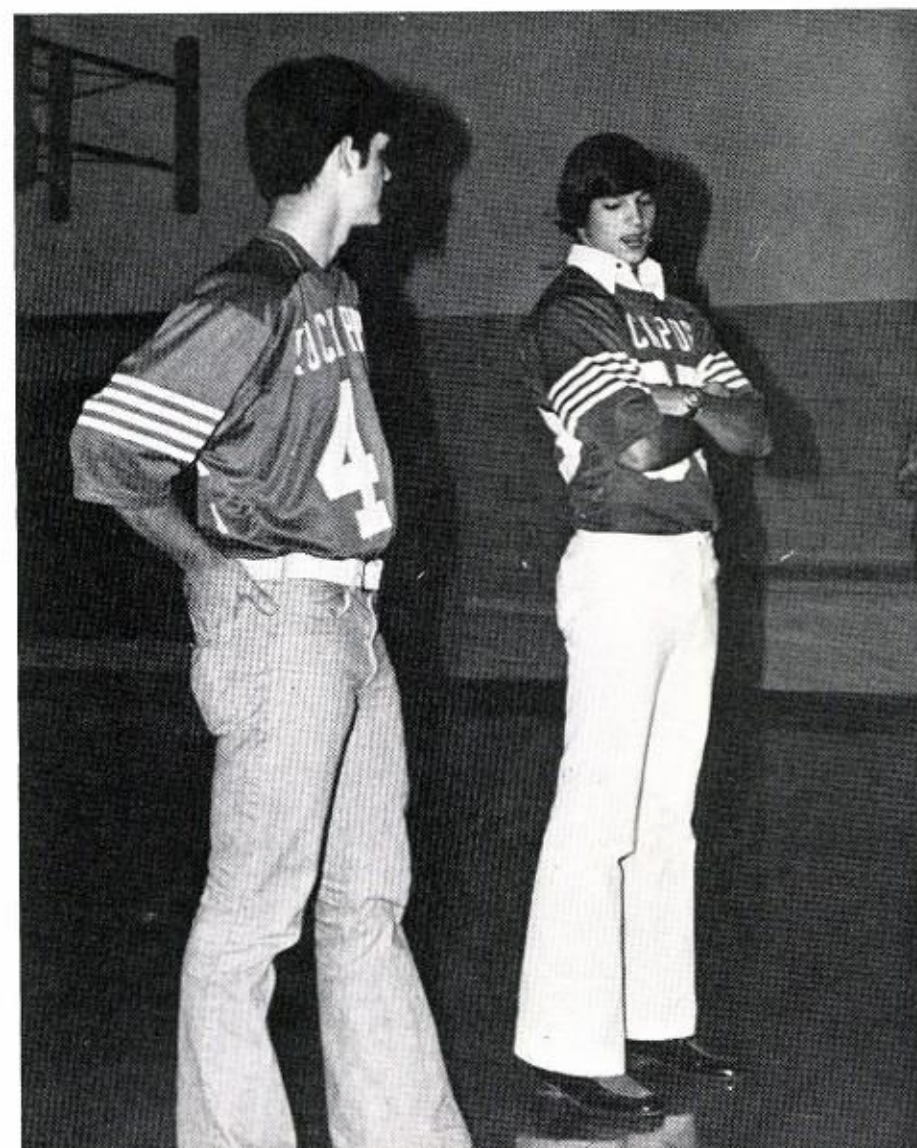

Twas not our fate to win the playoff game.
We're so proud of you just the same.
Shed no tears, hold your heads up high
As there is no reason for shame.

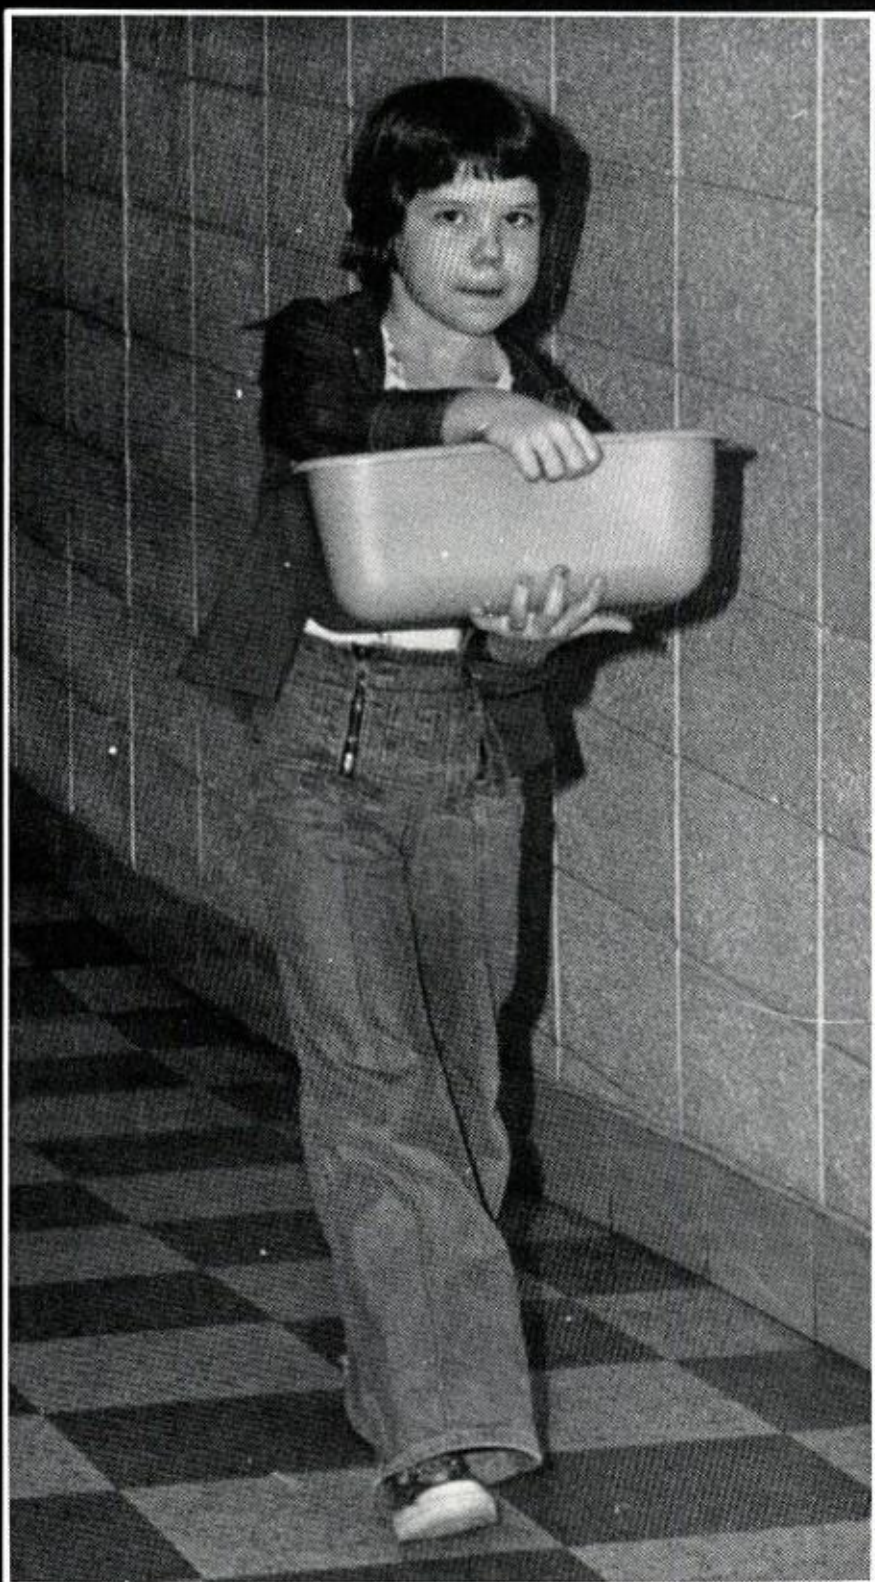

For seniors we give a special salute
For the lights will light no more.
For the rest of the team and our coach
We hope for a big encore.

There are eleven senior boys leaving that will be greatly missed, but we, along with the boys, hope that the team will be even better next year! We, the staff of '78 salute the Rock Port Blue Jay Football Team.

Co-captains Jeff Mather and Jeff Blasnitz.

Kindergarten Begins to Search

There are many activities to amuse entertain and teach the kindergarten children such as physical education, music, art, crafts, records and films. They start their formal education with reading readiness, math, science, writing and social studies.

Mrs. Suzanne Fentiman and Mrs. Charlene Steele offer all of these except physical education and music. At left: Show and tell.

First Step

The biggest challenge for first graders this year has been learning to read and add and subtract. They have also been busy learning letter sounds, how to print neatly, and all about animals, weather, space, maps, other countries, and holiday customs. Their learning has been made more fun with games, group discussions and art activities. They were taught by Mrs. Mary Bryan, Mrs. Deanna Whitford and Mrs. Cheri Zimmerman. At left: Showing off! Second Stage

This year the second graders were busy writing rhymes and stories in cursive. These have become more meaningful through the use of cassettes. In science, they've studied about heat, lights, electricity, etc. History was interesting this year through Families of Long Ago and Families of Different Countries. Highlight of the year were riding on the fire truck, parties given by the room mothers, playing on the new playground equipment, touring the Atchison County Library and hearing Mrs. Proper tell stories. Last but not least, Grandparents Day. Teachers were Mrs. Jane Nigh, Mrs. Dorothy Peck, and Mrs. Cheri Zimmierman, reading and math.

Fighting Fourth

The Fourth Grade classes this year were taught by Mrs. Lavonna Reid and Mrs. Maradi Mifflin. Some of the interesting things done in fourth grade this year were launching weather balloons and viewing the birth of a monarch butterfly. They also received Energy Saving Certificates from the White House and attempted to grow flowers in their own flower garden.

The Ferocious Fifth

This year the fifth graders were taught by Mrs. Dorothy Pierce and Mrs. Wilma Moe. In Social Studies they traveled through the United States using books, films, and maps. They studied the four basics in Arithmetic and lots and lots of fractions. Creative writing and the basics were their English subjects and emotions and the human body were studied in Health.

Stepping Out

The sixth grade was a very important year because the teachers, Ms. Kathy Stratman and Mr. Richard Whitford tried to prepare the students for Junior High and High School.

In math, fractions and decimals were stressed. Much emphasis was placed on using proper English also. The students studied parts of speech, outlining, paragraph writing and did animal reports and other writing assignments. At the beginning of the year they wrote Haiku poems.

New health and science books were used this year. The areas the books covered included mental and personal health, nutrition, first aid, drugs, energy, weather and science.

With all of the work they've done and the amount of effort put forth, these kids are eager to start Jr. High.

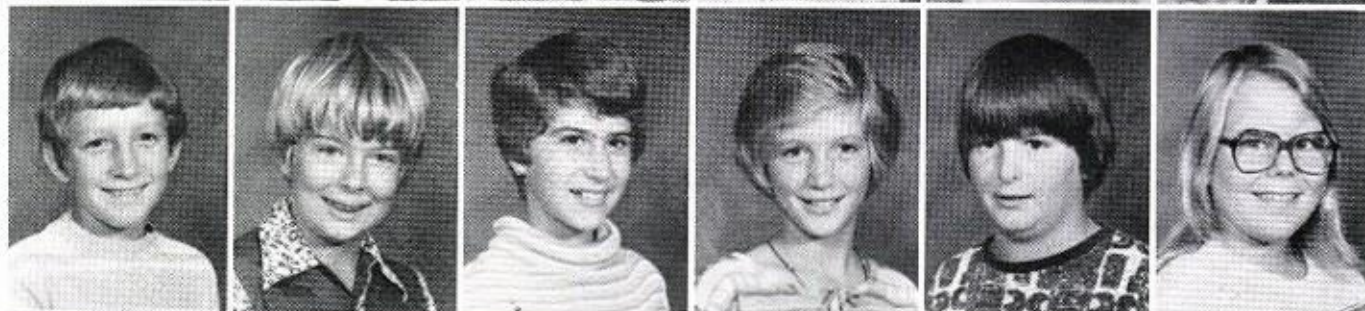

Binky the hard worker!

Beginning Music

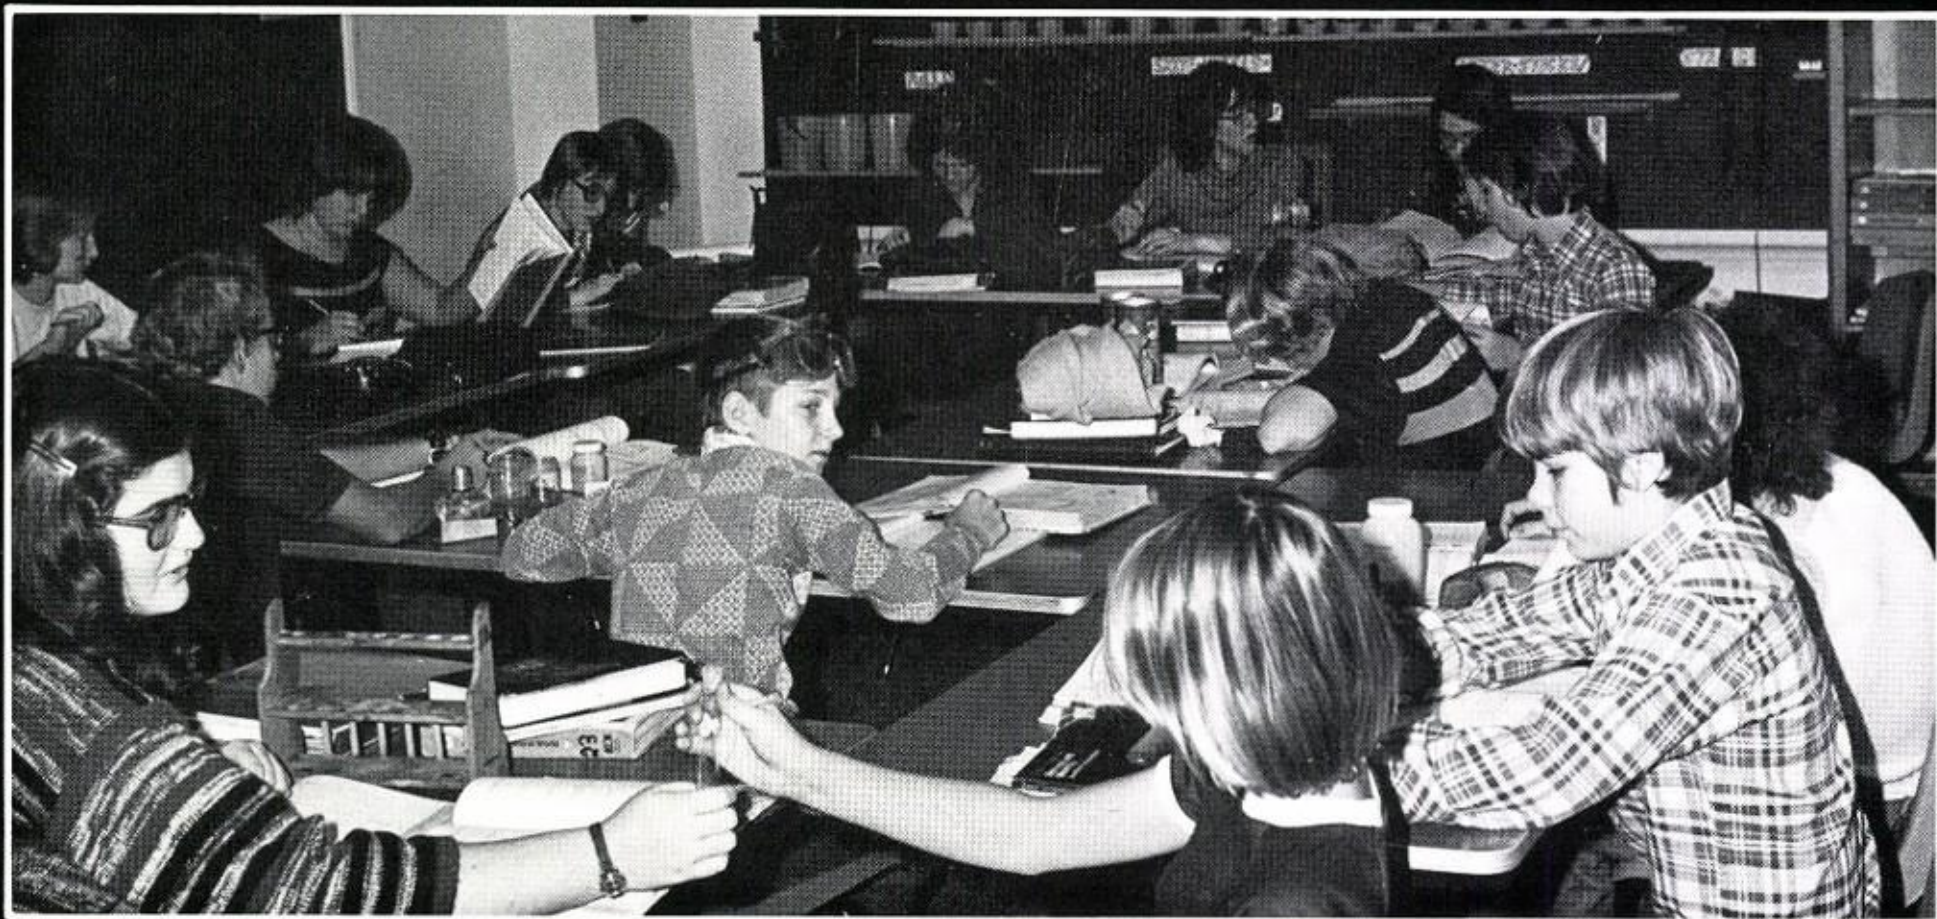

The elementary music classes did a variety of things this year. They were taught by Mrs. Tamara Curfman who was new this year (pictured lower left). They learned the basics of music besides doing some harmony work. They all worked hard to present "Santa's Toyland" at Christmas, which was a big success.

The sixth grade band was directed by Ken Greiner (pictured at left). They learned the fundamentals of their instruments besides how to properly care for them. They performed at both the winter and spring concerts. Forty-four members worked hard and succeeded in making it one of the best years.

Eager Eighth Graders

The class of '82 was kept very busy this year. As well as all of their homework, they participated in many other activities. With the help of the excellent Jr. High teaching staff, the class of '82 is eagerly awaiting the beginning of their high school years. Their eighth grade class officers were Eric Mulvania—Student Council, Susan Thompson—Treasurer, Brook Cooper—Secretary, Becky Groff—Vice-President, Pam Mobley—Student Council, and Margee Bogenreif—President.

Jr. High Instructors

Junior high can be a fun and rewarding time in a student's life especially if he or she has a dedicated and hard working instructor. Classes required in junior high are Health, Math, Science, Social Studies, and Physical Education. Electives include Art, Band, Chorus, Shop, and Foreign Languages. Drastic changes occur in junior high such as running from classroom to classroom, having more than one teacher, and the responsibility of a locker of your own.

Talk Right

Teaching in the English and Speech department at RPHS were Mrs. Barbara Marquart and Ms. Dixie Glascock. Classes under the direction of Ms. Glascock were Appreciation of Literature, Nonfiction, Speech, Beginning and Advanced Theatre, Contemporary Literature, and Novels. Contemporary Literature had to read 10 books during the semester and Novels studied classical novels.

Classes that Mrs. Marquart taught were Grammar, Paragraphs, Creative Writing, and Research and Critical Papers. Grammar was a study of fundamental skills of English usage. Paragraphs studied sentence structure and wrote various kinds of paragraphs. Creative Writing spent their time writing poetry, essays, short stories, and a short play, all of which were original compositions. Research and Critical Papers was an advanced course in composition, writing essays, themes, critical papers and a research paper. At right: Steve listens to Ms. Glascock. “Dreams and Fantasies”

The theme for the 1977-78 football homecoming was “Dreams and Fantasies”. The High School and Jr. High classes built floats in a limited time period to represent the spirit in their classes. Chicken wire, cardboard, napkins, paint, lumber, and creative minds were all used in constructing these floats, all of which were very imaginative.

The floats were judged on originality, beauty, and on how well they kept with the theme.

“Harvey”

This year the Junior Class play was, “Harvey”. It was a comedy, about a man who saw an invisible white rabbit and his sister, who was strange herself, who tried to put him in an asylum. The story ended happily with the man being cured and he would go about his life without his white rabbit Harvey.

The council did not simply plan school events. It took a new interest in what was happening in and around the school. Several meetings were devoted to school concerns. This was to help the council members better fulfill the responsibilities as student representatives. Guiding the council through their successful year was Mr. Bob Couldry, Sponsor.

“Scientifically”

Science Club made some progress in their third year with more activities. What appeared to be a mad scientist's menu of chemical formulas turned out to be chili and crackers at Science Club's halloween party. The junior and senior members and their sponsor, Mr. Radtke, also attended "Energy Day" at Peru State College, Peru, Nebraska. At Mardi Gras, the Science Club's sponge throw booth proved to be very popular. The 1977 Bluejays were Co-Champs of the 275 Conference and Quarter-Finalists in the State play-offs. The Bluejays opened the season with a non-conference victory over Stella Southeast. In conference play, Rock Port was tied by Tarkio in the second game of the season and then won seven in a row to finish the regular season with a 7-0-1 conference record and a 8-0-1 overall record. In the quarter-finals of the state play-offs the Bluejays lost a hard fought thriller to King City. King City moved on to finish second in the state play-offs. Bluejays dominated 275 All-Conference selections. Jeff Blasnitz (Guard), Kevin Cohen (Tackle), Kevin Sutter (Center), Jeff Mather (Halfback), and Chris Chamberlain (Quarterback) were named 1st team on offense. Kym Haynes (Defensive back), Jay Erdman (Linebacker), and Jeff Walker (end) were named on 1st team and Brian Ebert received honorable mention on defense. Masters of the Green

The boys and girls golf teams, coached by Mr. Steve Herndon, both had successful seasons this year. The boys ended their season, which began in March, with a record of 6 wins and 5 losses. The girls wound up their season with 4 wins and 3 losses. Their golf practices began in late August. Both teams practiced diligently after school to improve their abilities. This year, the Rock Port representatives to girls district golf in Richmond, MO., placed 3rd; the highest finish ever in girls golf history. The four girls attending districts in November were: Cindy Walker, Laura Corken, Denise and Sue Ann Schoonover. This was Mr. Herndon's last year to coach the teams and his qualities and helpfulness as coach will be greatly missed.

Some of the larger wrestling meets competed in were the Trenton Tournament, South Harrison Tournament, and Districts at Maryville. District competitors who went on to Regionals at Savannah were Berri Easley, first place, Jim Knierim, fourth place and Mike Leisman, fourth place. Berri won first place at the Regionals and went on to state meet in Columbia. All the wrestlers did an excellent job this year and there are many hopeful prospects for the upcoming season. The high school girls track team was smaller than usual this year, composed of a mere fourteen members. However, these outgoing and determined track members soon proved that power can be derived from small numbers. Outstanding achievements the past season included second in the conference, sixth in the district, and third in Class 1A at the St. Joseph Indian Relays. Mr. Raymond Eickhoff served as head coach for the team, assisted by Ms. Vickie Brubaker. There were six state qualifiers this year, the largest number ever to attend from Rock Port. Susan Freeman, Julia Groff, Melinda Long, and Amy Duntz qualified in the 880 yard medley relay; Mary Shaw qualified in the discus throw, and Shawna Heits returned to state for her second year with qualifying times in the mile run and 880 yard dash. Team spirit and determination were two key factors that kept the team going and enhanced overall performances. At left: Kathy keeps the adrenaline going. Below: Shawna wins by a comfortable margin.

Seniors to Osage

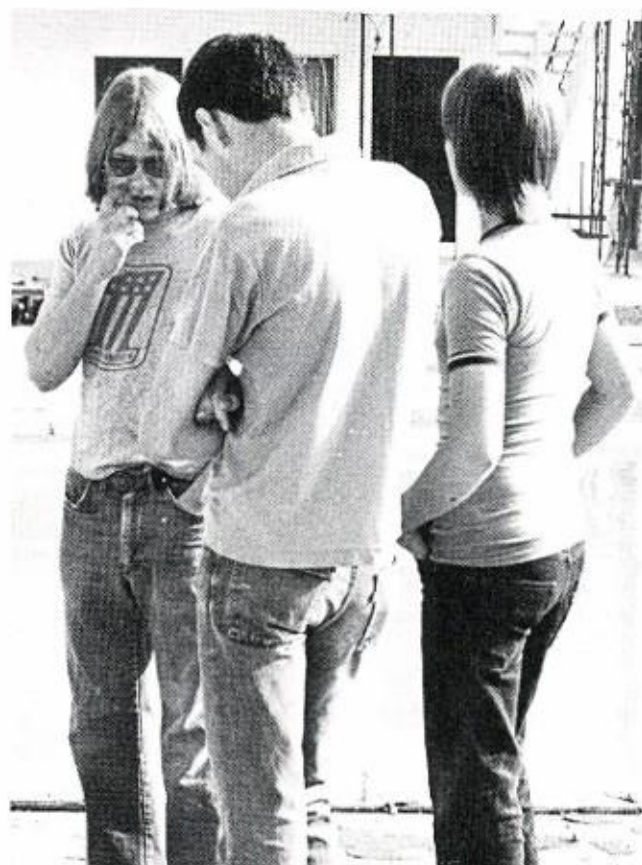

Seniors left at 12:00 midnight on Monday, May 13 for their senior trip to Osage Beach. After a short stop-over in Kansas City and a few wrong turns they arrived at Osage House around 8:30. Weather started out foggy but turned cloudy for the rest of the day. Many seniors spent their time sleeping, skiing, walking, and riding various rides near Osage House. This year the seniors were allowed to stay all night. At right: Enjoying the view.
